

# Sustainable Sackville – What does it mean for you?

# Defining Sustainability

“Human activities that meet the needs of the present without compromising the ability of future generations to meet their own needs.”

Most simply it is:

**enough, for all, forever**

# WHY BOTHER?

**Global Challenges WILL affect  
Sackville**

**Economic Crisis**

**Poverty**

**Scare oil reserves**

**Climate Change**

# Sustainable Sackville

In its most basic form an Integrated Community Sustainability Plan (ICSP) is a strategic plan that addresses long term community sustainability.
